First time users need to link their accounts through the Student Sign in button

Central Authentication Service (CAS)

The screenshot shows a login interface for the Central Authentication Service (CAS). On the left side, there is a user icon, a label "DIRECTORY ID" above a text input field, a label "PASSPHRASE" above another text input field, and a checkbox labeled "DON'T REMEMBER LOGIN". Below these is a red "LOG IN" button. On the right side, there are two paragraphs of text: "For security reasons, please log out and exit your Web browser when you finish accessing services that require authentication." and "The Division of IT will never ask you to put your passphrase into an email message, but scammers will." Below the second paragraph is a warning: "Do not share your passphrase with others!".

Students will then be prompted to enter their Directory ID and

Passphrase that they use for other school pages.
